Section Advisor: Reminder from NAR that all sections should be practicing launch safety procedures, especially around parking areas.

Competition: 2025 NRC is still open. Events are: 1/2 A Streamer Duration, 1/2 A Altitude, A Payload Altitude, B Rocket Glider Duration, B Helicopter Duration, D Dual Egg Lofting Altitude, ¼ A Flex Wing.

The Carl McLawhorn Competition will be held October 12-13, 2024 in Grove City, PA. There is an M motor impulse limit and a sport launch altitude limit of 3000'. This is the last contest for the year.

Web: No report

New Business: Glenn reminded the club that this is the time of year when we made a donation to Friends of Ft. Halifax for the use of their portapot. It was suggested and passed that a donation of \$125 will be sent to the Friends of Ft. Halifax.

Tom reported that he was contacted by a rocket club at Penn State Harrisburg asking about joining our club. Do they have to join as individuals or can they join as a club? Tom will gather more information from his contact before a decision is made.

Larry reminded us that a 2025 calendar draft needs to be done for the next meeting.

The next launch is this Saturday, October 12 at Manor Middle (Hambricht) from 1 – 4 PM.
