REMINDER: Dues are due by the end of December. Please send to Larry Gerlach.

**Section Advisor:**

1. NAR Section Grant for \$250 has been submitted.
2. Mentors are needed for American Rocketry Challenge teams and volunteers for the finals in May 2026 at Great Meadow Event Center, The Plains, VA.
3. The NAR is updating its YouTube channel. New content is being added regularly. Visit at <https://www.youtube.com/@nationalassociationofrocke3595>
4. The November/December 2025 issue of Sport Rocketry is available in the members section of the NAR website. This issue will not be mailed to members. Going forward there will be 4 printed issues of Sport Rocketry mailed each year instead of 6 as in the past. This is a cost cutting measure to reduce expenses in printing and postage.
5. The updated NARTREK program is running with three levels for both Junior and Senior program. Upon completion participants will receive a certificate. Cloth patches will be available for purchase thru the NAR Storefront.
6. vNARCON – 2026 is February 21, 2026. It is a zoom event, free to all NAR members. Registration is required. Time is 12:00pm – 9:00pm EST.
7. NSL East 2026 will be in Geneseo, NY, May 23-25.

**Web:**

- Website: I don't have any real updates on the website, other than getting the voting page going, hopefully its working fine for everyone. Nothing new from a website/billing/Issues standpoint.
- Paypal: I saw Glenn's question about the feature name of the button we were using for payments. I don't know what its official name is, but I saw reference to "Donation" button and "Payment" button. But we just used the paypal provided button code for the donation and membership payment options. Those no longer work, so that is what Larry and Glenn are working on now. If anyone needs anything from me, please let me know.
- February Meeting: I don't foresee any problems right now with Feb 7th for the meeting at my house. Will confirm and let you know if there is a conflict. Looking forward to seeing everyone in Feb.

**Old Business:** Tom has the new trailer and has put shelves in and also a workbench in the nose of the trailer.

Dates for 2026 launches have been sent to Halifax for approval.

**New Business:** Results of the voting for the 2026 SPAAR Board were presented and approved with a motion by Rita Feveryear and a second by Bob Wicker:

President: Tom Aument  
Vice President: Bob Wicker  
Treasurer: Larry Gerlach  
Secretary: Louise Aument  
Section Advisor: Glenn Feveryear  
Member-at-Large: Mark Sternat

Tom announced that this will be his last year as President of SPAAR. He will be putting together a timeline/calendar for the incoming President so they have an idea of what/when things need to be done.

Since the new trailer was just purchased and retrofitted, the trailer cleanout for March has been cancelled.

The next meeting will be at Tony Rossi's on February 7, 2026.
