Carl McLawhorn Memorial will be held next year in Oct. in Grove city

Glenn noted their launch site is possibly going to be developed by county parks but currently still launching at that site.

INTERNATIONAL SPACE MODELING TEXAS 2023

<https://www.nar.org/fai-spacemodeling/>

NAR is looking for volunteers.

For next summer at the world space modeling championship in Texas. July 1-8, 2023. You don't need a particular skill; they mostly need timers so ability to be able to use a stopwatch should suffice.

General Discussion:

A discussion has been started on flight cards. Glenn noted the flight cards have many purposes, most important is safety. It has been noted George has been entering our flight cards for years, Rick Hackman has volunteered for years before George took over.

Tom and Louise have volunteered currently to work with Tony to upload new flight cards to the website.

Bob W. started a conversation with regard to uploading pictures and videos to our website. Which led to a discussion on the possibility of starting a spaar facebook page. Tony has agreed to create and oversee a spaar facebook presence and will have a more formal question/answer forum for the Dec. meeting.

Glenn: Reminded members to renew for 2023 season.

New Business:

2023 Office nominatios were taken and as follows,
