New Business, General discussion:

Bob W. brought up the idea of a facebook presence at the November meeting. The discussion was tabled until the December meeting to Give Tony time to better answer our facebook page concerns.

What follows is the results of our discussion.

Tony recommended the club start with a private facebook group just for spaar members. Anyone can view our club page but only spaar members can post.

A motion was made to have Tony put the website together. There was no objection by members present and the motion was adopted.

Along with Tony Rossi , the page moderators will be Tom Aument and Bob Wicker.
